## Summary

Hello! I am a Full-Stack Developer with a passion for technology and over two years of experience in web development. My journey includes roles as a part-time intern and a full-time developer in companies based in Fortaleza, Ceará, Brazil.

My main skills revolve around React.js, Front-End Development, TypeScript, REST APIs, HTML, JavaScript, HTML5, and Cascading Style Sheets (CSS). I hold a Bachelor's degree in Information Systems from the Federal University of Ceará, providing me with a solid technical knowledge foundation.

Throughout my professional journey, I have had the opportunity to work on challenging projects that contributed to my professional growth and skill development. I am always seeking new challenges and continuous learning, aiming to find creative and innovative solutions to complex problems.
